Re: *Western Sugar Cooperative, et al. v*
Archer-Daniels-Midland et al.: Defendants'
Production of Documents

Dear Counsel:

This letter responds to your August 22, 2013 letter challenging the confidentiality designations of certain documents produced in response to Plaintiffs' subpoenas to James Rippe, John White, and the White Technical Research Group.

We agree to withdraw the "Highly Confidential" designations for the documents listed in your August 22 letter, with the exception of the document Bates-stamped WHITE0000020-25, to which we maintain our designation. We will send you replacement images for the remaining documents with a downgraded "Confidential" stamp.

Sincerely,

A handwritten signature in black ink, appearing to be "BD" followed by a long, sweeping horizontal stroke.
